

## DONATIONS FOR NEW BUILDING FUND

Thank you for considering a donation to the **Orange County Children's Therapeutic ARTS Center's Building Fund**. Founded in 2000, OCCTAC began with only fifty families in a 3,000 square foot facility in downtown Santa Ana. Now, we serve close to 1,000 families per year in an 8,000 square foot facility on North Broadway. OCCTAC has outgrown our current physical space, which is poorly designed for musical and dance instruction. We have horrible acoustics, limited classroom space, and no dependable heating or cooling system. For the past eight years, our inadequate space has hindered our ability to offer high quality arts program due to a substandard teaching and learning environment. Your generous donation to our building fund will help us achieve our dream of purchasing a well designed, centrally located building for our children and families! You, together with other families, providing gifts of \$50,000 or more, will have an opportunity to name an area of importance to you, to memorialize a loved one or honor your family's name, and join our agency's prestigious Advisory Council.

**Please fill out the form below, print and mail with your tax deductible check to OCCTAC Building Fund at 2215 North Broadway, Santa Ana, CA 92706.**

**Thank you!**
